MH Construction, INC
CORPORATE RISK MANAGEMENT PLAYBOOK (RM-01)
ADDENDUM: BONDING & SURETY MANAGEMENT

RM-06.0: BONDING & SURETY MANAGEMENT

DIRECTIVE: RM-06-DIR-01: MH Construction, INC must protect its surety relationship at all costs. A bond default is an existential threat to the enterprise.

GENERAL ORDER: RM-06-GO-01: Miller Act and RCW 39.08 Compliance. For all municipal and federal contracts exceeding \$150,000, the CFO must secure Payment and Performance Bonds prior to mobilization.

The CFO is responsible for providing the surety company with quarterly WIP schedules and year-end audited financials to maintain the company's aggregate bonding capacity. Any notice of claim against an MH Construction, INC payment bond by a subcontractor must be reported to the CEO immediately.

Implementation & Governance

The directives and procedures outlined in this document are mandatory for all MH Construction, INC personnel and authorized subcontractors. The Chief Operating Officer (COO) and designated Department Heads are responsible for the enforcement, regular review, and continuous improvement of these standards. Any deviations from this protocol must be formally requested via an RFI and approved in writing by the Executive Command tier prior to execution. This document is a living standard and will be updated as required to maintain alignment with enterprise strategy, regulatory changes, and operational best practices.

DIRECTIVE

All personnel must comply with the protocols herein.

GENERAL ORDER

Managers will enforce these rules.

FIELD INSTRUCTION

Execute tasks safely.

[illegible]

these principles in their daily activities. Regular audits will be conducted to verify adherence, and feedback for continuous improvement is encouraged.
